

BusConnect™ Safe Mobile Internet

Security

Secure ALL SIM-based devices by hiding from the public internet, putting it outside the reach of malicious actors.

Visibility

Gain previously unavailable visibility into how data is being used on school provided devices.

Filter

Children's Internet Protection Act (CIPA) compliant filtering done at the network level.
No device apps required!

Expanded Learning

Safe access to district networks allows students to download and complete homework assignments while on the bus.

More Free Time

With required work completed, students can enjoy more after school sports, friends, and family time.

Safety Vision helps districts bridge the digital divide by adding mobile wi-fi to our **Connected Bus** solutions:
